Residential Railings

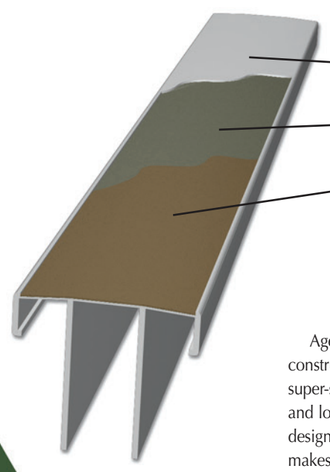
Flexible, Durable, Affordable

Why?

Homeowners and professionals alike are choosing aluminum railings by Age Craft not only to solve safety problems, but also because of their beautiful decorative features, easy one-man installation and maintenance free aspects.

- **Maintenance Free**
  No painting costs, no rust and scale to scrape off, no replacement of rusted sections.
- **Easy Installation**
  Age Craft railings are easily self-installed and adjustable to fit any angle needed.
- **Structurally Superior**
  Heavy-gauge, super-strong aluminum extrusions are immune to things like "roughhousing" youngsters, banging furniture and crowded patio parties.
- **Weldless Design**
  No welds to break, adding additional strength and safety.
- **Decorative Features**
  Age Craft railings are available in different styles for a variety of decorative effects.
- **Baked On Enamel Finish**
  Easy soap and water cleaning and periodic waxing will keep your Age Craft railing looking like new.

Structure



Age Craft residential railings are constructed with a heavy-gauge, super-strong aluminum for the safest and longest installation life. The all rivet design gives the railing durability and makes it easy to adjust sections to your step angles.

1/2 inch pickets in white or black

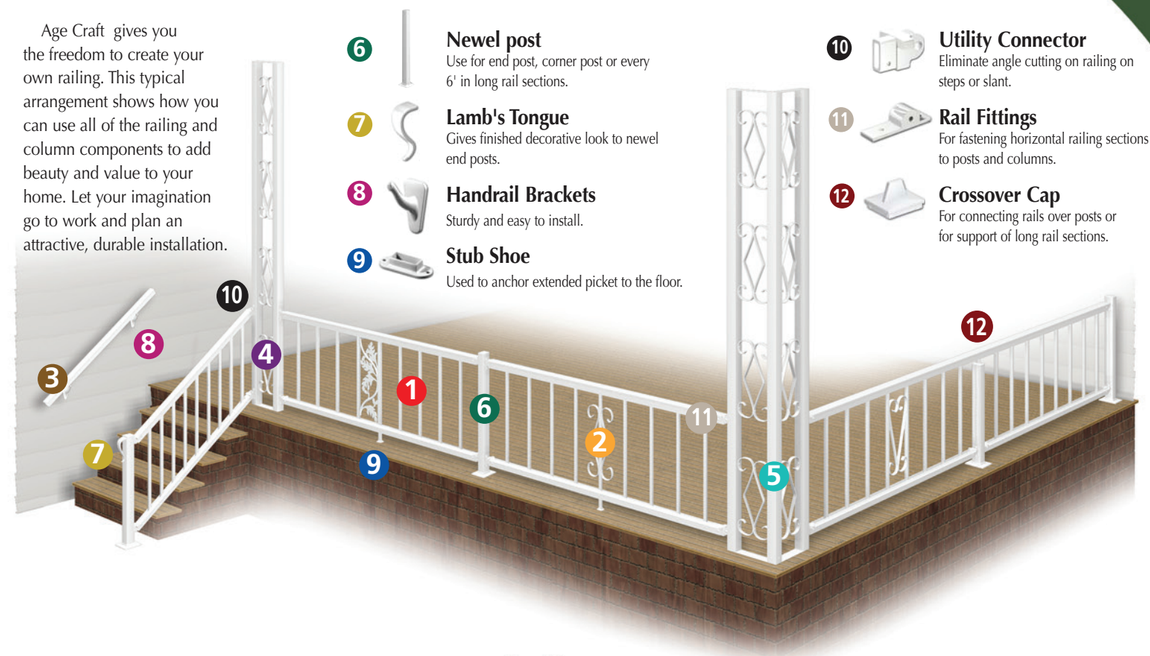
- Aluminum Die cast Fittings in 380.1 Alloy
- Extrusion Finish is Electrostatically Applied and Baked on
- Castings are Powder Coated Paint
- Load Tested to withstand 50 pounds per linear foot.

Components

Age Craft gives you the freedom to create your own railing. This typical arrangement shows how you can use all of the railing and column components to add beauty and value to your home. Let your imagination go to work and plan an attractive, durable installation.



6 Newel post
Use for end post, corner post or every 6' in long rail sections.

7 Lamb's Tongue
Gives finished decorative look to newel end posts.

8 Handrail Brackets
Sturdy and easy to install.

9 Stub Shoe
Used to anchor extended picket to the floor.

10 Utility Connector
Eliminate angle cutting on railing on steps or slant.

11 Rail Fittings
For fastening horizontal railing sections to posts and columns.

12 Crossover Cap
For connecting rails over posts or for support of long rail sections.

Options

Use decorative columns wherever a support is needed… such as a patio or porch roof, carport, canopies, covered entranceways, stairs and awnings. Anywhere you want to add an unusually distinctive touch to the outside of your home or building.

Railing Section
Available in 3, 4, 5, 6, 7, 8 & 12 ft.
