**Minimum charge is \$25.00 per load for inbound and outbound loads.

**All concrete or AC loads containing paper, plastic, coatings, fabric, fiber mesh, dirt, organics, wood, etc. will be rejected at the scale.

**All dirt must be tested per WOA's SW Permit requirements and cannot contain paper, plastic, fabric, wood, organics, metals, concrete, AC, etc.

**No material accepted without completion of WOA Clean Material Certification

**No mixed loads. All loads MUST be separated.

**All painted concrete must be tested for Total Lead.

Prices are subject to change without notice. All sales are subject to Hawaii State General Excise Tax.

For inquiries, quotations or WOA Clean Material Certification forms, please call the Scale House at 808-668-1950.

For questions regarding testing information and requirements, please contact Lori Modelski at 808-847-6746.
