# JBS Construction

## Build with Confidence. Choose JBS Construction.

At JBS Construction, we bring over 30 years of experience, craftsmanship, and community values to every project. As a proud family-owned business, we treat your home like our own—delivering quality, integrity, and exceptional service from start to finish.

Whether you're building a custom home or planning a renovation, we offer unmatched value without compromising on excellence. Our licensed and insured team handles every detail, including permits, so you can enjoy peace of mind while we bring your vision to life.

Experience construction done right—with a company that stands behind its work. Contact JBS Construction today for your free estimate.

## Our Clients

### Here's What Our Satisfied Customers are Saying.

At JBS Construction, exceptional craftsmanship and outstanding service are at the heart of everything we do. We're proud to have built lasting relationships with our clients—and their feedback means the world to us. See what others have shared about their experience working with us, and discover why so many homeowners trust JBS Construction to bring their vision to life.

**Richard** 

"Updated my existing deck with vinyl and did a great job. Workers were fast and kept a very clean work site. Could not be happier."

**Eric** 

"Working with Bruce and his team through the process was easy. Bruce and his team were always available and quick to respond to questions. 30-day repairs were quickly taking care of and I'm sure I'll have no issues with my one-year list. You feel like you're a part of their family. My wife and I highly recommend JBS Construction."

**Deborah** 

"JBS was a great company to work with. They were always nice and very professional and very accommodating. I would recommend them to anyone and everyone. Everyone is very nice there. Thank you JBS for my new home. My sunroom is my favorite room, it's where I spend most of my time. Thank you."

# Building Dreams on the Delmarva Peninsula

## Your Trusted Builder in Delaware and the Eastern Shore of Maryland.

## Let's Get Started!

# What We Offer: Tailored Solutions for Your Dream Home

## Custom Homes

At JBS Construction, we specialize in building custom homes designed around your unique needs and preferences. From the first design meeting to the final build, we work closely with you to ensure every detail reflects your vision and brings your dream home to life.

## Patios

Transform your backyard into a functional and stylish retreat with a custom patio from JBS Construction. Designed to match your home and lifestyle, our patios offer the perfect space for relaxing, entertaining, or enjoying the outdoors. With a range of materials and design options, we create outdoor spaces built for lasting enjoyment.

## Additions

Expanding your home with a thoughtfully designed addition can greatly improve its comfort, function, and value. At JBS Construction, we handle everything from extra bedrooms and home offices to larger kitchens and living areas—always ensuring your new space blends seamlessly with the original structure.

## Renovations

From single-room updates to full home makeovers, JBS Construction provides customized renovation services designed to elevate your space. We focus on enhancing both form and function, working with precision to bring your vision to life and deliver results that inspire.

## Decks

A custom-built deck from JBS Construction can turn your backyard into the perfect place to relax or entertain. We design and build each deck with care, using quality materials and skilled craftsmanship to ensure lasting beauty and performance.

## Camper Rooms

Camper rooms offer a creative way to expand your living space, perfect for guests, hobbies, or a quiet escape. JBS Construction designs and builds these versatile additions to match your home's style, combining practicality with thoughtful design tailored to your needs.

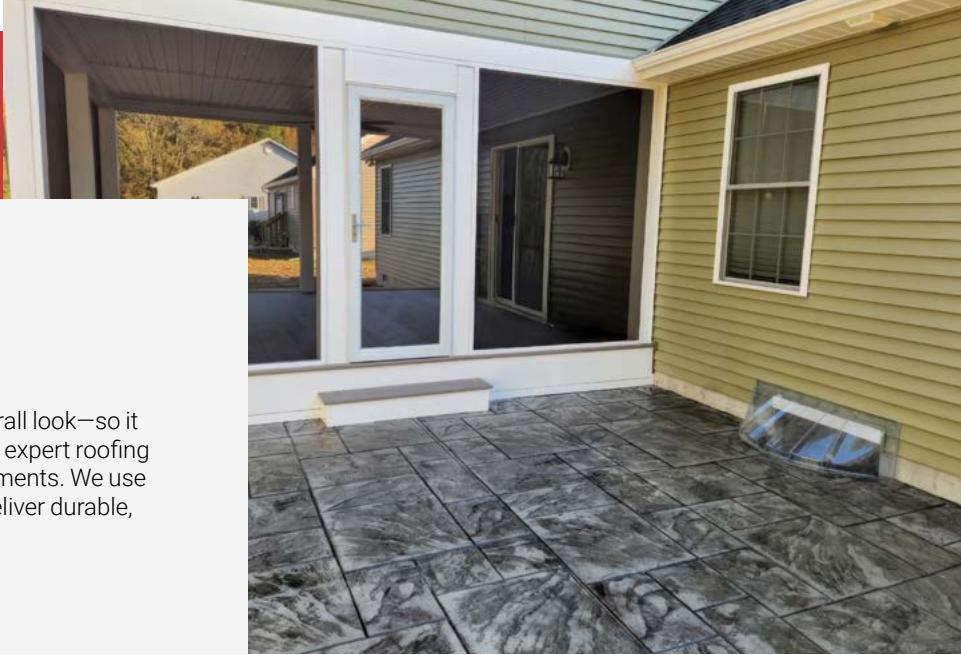

## Roofing

Your roof protects your home and adds to its overall look—so it needs to be done right. JBS Construction provides expert roofing services, from installations to repairs and replacements. We use high-quality materials and reliable methods to deliver durable, long-lasting results.

## Request an Estimate

Start your dream project with a free, no-obligation estimate from JBS Construction. Our team delivers an accurate quote within 48 hours, ensuring clear and transparent pricing. We're here to guide you through every step, making the process smooth and stress-free. Reach out today to bring your vision to life!

**Your Vision, Built Right.**

*Trusted for craftsmanship and care, JBS Construction turns custom homes, additions, and outdoor spaces into reality.*

## Our Clients

### Ivan

"I had a very positive experience with JBS Construction during the building process. I communicated my plan to Bruce and they delivered. The team was very professional and experienced. I am very satisfied with the outcome. If you are considering building, definitely contact JBS Construction and have a conversation."

### Debbie

"JBS was a great company to deal with. Everyone I dealt with at JBS was very nice and professional. I would recommend JBS to anyone and everyone."

### Don

"I have used 3 builders in my lifetime and have worked construction most of my life. JBS is by far the best I ever worked with they were quick to respond to problems and corrected them to my satisfaction. The house is a quality built home I would recommend them to anyone!"

# Our Partners

## Building Strong Homes Through Strong Partnerships

At JBS Construction, we believe in strengthening our community by partnering with trusted local businesses throughout the building process. From sourcing high-quality materials to collaborating with skilled tradespeople and service providers, we prioritize local relationships that ensure reliability, craftsmanship, and support for the regional economy. These partnerships allow us to deliver exceptional results while keeping our roots—and our impact—close to home.

### TimberTech by AZEK

[timbertech.com](http://timbertech.com)

TimberTech offers the most realistic wood aesthetics with a variety of colors and textures. Featuring proprietary technology for a cooler touch and superior fire resistance, our decking is made with up to 85% recycled materials, providing a sustainable and durable alternative to wood.
