Confirmation Retreat a Success

Back in November, the Confirmation students from St. Paul's joined youth from Waupun, Mineral Point, Oconomowoc, and Kewaskum UCC churches at the Wisconsin Conference's Fall Confirmation Retreat at Daycholah Center in beautiful Green Lake. Our youth participated in teambuilding activities with the other youth groups, Bible studies and scavenger hunts outside, chapel services and music inside the warm worship space, and free time to play volleyball, foosball, air hockey, and board games.

According to our students, they really appreciated the opportunity to meet and work with the fifty or so other students at the retreat, as well as get to know the camp counselors who facilitated many of the activities. They made good, thoughtful contributions to small group discussions about issues where our faith and current events cross paths, topics like homelessness, favoritism, peer pressure, and alienation.

Evenings were full of games, sports, trivia, art projects, and free reading. And of course, the food was fantastic! We were treated to buffet-style ham and potatoes, salad and dessert

bar, sausages and eggs, and other goodies throughout the weekend.

Thank you to all who supported our Youth and Confirmation program financially by purchasing cookie dough and giving monetary donations. You help to make events like the Confirmation Retreat possible through your generosity. And thank you to **Melissa Clay-Reissmann** for chaperoning, taking pictures, and assisting in retreat activities this year!

Dollars and Sense from the Finance Committee

SCRIP: As a new year begins, please consider a resolution to purchase more scrip in 2026! As we look at all of the ways we can support our church – scrip is an easy, cost-effective way to do so. For every card you purchase, the church earns \$\$\$!

By purchasing scrip and making purchases at selected stores and restaurants, every gallon of gas you purchase, every dozen eggs you buy, every meal you enjoy, every piece of paper toweling – all goes to help the church.

We have not sold as many scrip cards as in previous years; so, we want to get 2026 off to a great start! Our goal is to sell \$10,500 in scrip in January. Please help us out by purchasing a scrip card today!

Tax Savings: There may be tax saving options available for charitable distributions. Please check with your tax advisor to see if any would apply for your situation.

Many blessings to you all in the new year from your
Finance Committee

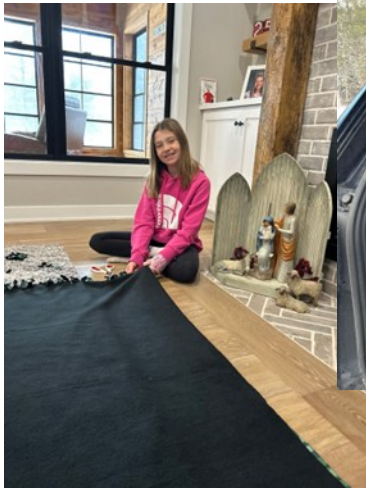

Financial Report for November 2025:

Update from the Search Committee

Dear Members of St. Paul's United Church of Christ,

Unfortunately, the on-site meeting that had been scheduled for November 29th did not take place. The candidate that we were working with was already farther along in the process with a different church and has accepted a call from them instead. It was unfortunate timing.

While this is an upsetting turn of events, it has provided us, as a committee, with valuable experience which allows us to be quicker with our evaluation process. We're able to discern pros and cons more easily and we have better established baselines to compare against. All of these things allow us to move through the process more efficiently. Although this is discouraging in the short term, we are optimistic that our best candidate yet is still out there looking for us and we'll be able to react quickly when we find them.

In the meantime, we do have Supply Pastors set up through Easter. The Search Committee will be meeting in the start of the New Year to discuss our next steps to move forward.

Thanks,

Nate Helke,
Search Committee Chairperson

A Special Thank You

To Elite Auto of Weston

**They had a food drive at Thanksgiving and
donated the proceeds to our Food Pantry! It is greatly
appreciated.**

Do you have any 2025 invoices or items to be reimbursed for?

Pleased turn in any 2025 expenses to the office by 9:00 am on Jan. 5th. We will be closing the books on 2025 at that time. Thank you for your help.

Meeting

Just a friendly reminder that the St. Paul's Annual Meeting will be held on Sunday, January 25 at 9:00 am. Besides voting on the budget, and electing additional council members, we will be discussing repairs to the Bell Tower.

A letter was mailed to every family with additional information on what repairs are needed, and the costs involved. If you did not receive the letter, please call the church office at 715-842-3733, or email the church office at admin1@stpaulsuccwausau.org, and we can get you a copy of the informative letter.

We look forward to seeing you there.

Thank you! Thank you! Thank you!

Whew! December was a busy month at St. Paul's. There was a lot of decorating, preparing the float for the Wausau Holiday Parade, the Children's Christmas program, more decorating, the Living River concert, Salvation Army bell ringing, more decorating, Breakfast with Santa, the Elf Shop, a Festive Sweater contest, the Christmas Day community dinner, more decorating, Advent Sunday services, Christmas Eve services, and... more decorating.

If we were to thank each person who played a part in making it all happen, half the church directory would be included here. For brevity's sake, we'll highlight the contributions of a handful of folks who helped out in December: Jim and Joan Mielke for lending their trailer for the church's parade float; Gerry Brummond, for use of his gas generator and for maintaining the church van; Confirmation students and parents for braving the cold and handing out flyers at the Holiday Parade; the Ladies of St. Paul's for organizing the Elf Shop; the Helke family for organizing and cooking for Breakfast with Santa; the Mission Committee and volunteers, both from St. Paul's and outside the church, who served the Christmas Day dinner; all the ushers and musicians who contributed their time and talents to our Advent and Christmas services; and, last but not least, to all our decorators. Thanks to all of you!

Who was Lewis H. Hall?

If you've ever had to open the Choir Room door, you've bumped into this plaque on the door. In case you can't make out the text, it reads, "The Choir Room Furnishings in loving memory of **Lewis H. Hall.**" Fumbling for the keys in my pocket, I often thought, "Who was Lewis H. Hall?"

According to his obituary posted on a genealogy page, Lewis Harmon Hall was a pioneer in many ways. He was born in 1881 outside of Marathon City to a farming family, and after his school days were over, Lewis briefly worked as a farmer, blacksmith, and carpenter. His entrepreneurial career took off after he moved to Wausau in 1904. While managing his own bicycle shop on 3rd Avenue, Lewis and a partner brought the first load of automobiles to Wausau in 1906.

A few years later, he joined Fred Schubring in establishing the Schubring Motor Car Company. In 1911, Lewis and some partners constructed a prototype automobile they called the "Wausau Flyer" (see picture below). While the vehicle never went into production, Lewis deepened his connections to the growing automobile industry,

becoming a dealer for Packard, Velie, and Maxwell cars, as well as building his own garage. Later, he would establish the Hall Oil Company, dealing in gas, motor oils, kerosene, and lubricants. In addition to his business interests, Lewis was also a pioneer in aviation, in 1928 flying a ski-equipped plane from Wausau to Rhinelander in a then-record 42 minutes.

Who was Lewis H. Hall? I suppose you could say he was early 20th-century Wausau's version of Mark Cuban, a man who embraced the technological and social changes of his time and carved out a name for himself in the growing Wausau business community. And after he died in 1961, his heirs donated the money to outfit the Choir Room in the new St. Paul's church. His obituary fails to note whether he sang tenor or bass.
