

7th Annual “Driving Fore Autism” Golf Outing sponsored by Team Garrett
All proceeds are raised for Team Garrett and donated to the Autism Support & Resource Center

Friends and Family:

We are BACK to planning the best Golf Outing of the year! We look forward to this so much not only because we get to see so many people who we love and care about, but because we come together as a group and as a community. We change lives and I can’t imagine a better feeling. The Autism Support and Resource Center offer Life Skills Classes, POWER Basketball and are now planning for their summer POWER Camp program which is completely full. This year we are so incredibly proud to announce a new partnership with a local manufacturing company that will provide job preparation, training, and job placement for adults living with autism. We also started offering recreational programs including art, dance, yoga, creative expression, etc.

The Autism Support and Resource Center (ASRC) is running smoothly with the help of amazing donors like you!! Funding is now being used to help expand the Life Skills programs to all individuals no matter how they fall on the spectrum. “Garrett’s Place” is the home of ASRC’s Life Skills Center. Life Skills classes are in full swing for teens and adults to help guide them in leading an independent life. Classes include social skills, pre-employment, cooking, home maintenance, monthly budgeting/finances, and recreational hobbies - including POWER Camp and tailored athletic programs. The ASRC provides scholarships for those who may not be able to afford the classes and programs.

Garrett Dennis is now almost 22 and it will be his birthday on the day of the outing! He enjoys things like getting new video games, driving his car, shooting with “Buddy”, and hanging with friends to see a movie. The ASRC has made the most incredible impact on Garretts life this year! Like mentioned above the ASRC has partnered with a local manufacturing company and Garrett has since been hired by them. This is one of the biggest changes in Garretts life for so many reasons. He exudes more confidence and independence. He is so proud to say I have a real job and I am good at it. He still helps out doing some things for Rock Bottom and Ideal Transportation as needed. Garrett was diagnosed with Autism at the age of 3. He is a funny, sweet, and caring young man and LOVES to laugh and make others around him laugh! He actively attends the Life Skills, pre-employment, and cooking classes. He is shaping up into a hardworking man with plenty of support by all his family and friends. The “Life with Autism” future is Bright!!

This year’s outing will be held September 9TH at Flint Golf Club, 3100 Lakewood Drive, Flint, 48507. Shotgun start at 10:00 am. Registration will begin at 9:00 am.
