PRODUCT DESCRIPTION

With a nod to architecture, this clever sconce brings the functional forms of construction to modern décor in a low profile and a sleek, versatile finish. LEDs are positioned both to illuminate the wall surrounding the sconce and to minimize glare from any angle. That means this sconce looks beautiful from both the front and side—making it ideal for corridors and stairwells.

FEATURES

- Driver installed within the Junction Box, driver dimension: 2.8" x 1.3" x 1.2"
- Acrylic diffuser
