

Lumens:	<b>Mr n</b> 250	<b>Mr n tall</b> 600
Energy Consumption:	5 W	13.5 W
USB port:	N/A	Built-in
Standard Finishes:	Metallic Black, Silver	Silver
Rated Lifespan:	50,000 hours	
Color Temperature:	2,700 K	
Color Rendering Index (CRI) :	90	
Brightness Adjustability:	Continuous dimming (press & hold Konzept logo)	
Material:	Aluminum, plastic	
Safety Rating:	C-UL-US Certified	
Warranty:	5 years	
Voltage:	100-240V

LEED Information

**Integrative Process**  
To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems. Konzept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

**Interior Lighting**  
To promote occupants' productivity, comfort and well-being by providing high-quality lighting. Konzept's portable task lighting products provide more than three lighting levels that occupants can easily adjust to suit their needs. Furthermore, all Konzept lighting products use high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours. Desktop and task personal lighting also provide the opportunity to reduce overhead lighting.
