Catania

PRODUCT DESCRIPTION

In a striking contrast of black and white, the Catania pendant features a half circle of black basalt stone and etched cast glass to form a stunning rod, layered with an integrated, color temperature adjustable LEDs that shines through the glass. The elegant rods are linked by lustrous aged brass hardware, creating a breathtaking linear pendant light. Each segment can be rotated 180 degrees, offering a customizable look that reflects your style.

- FEATURES**
- Driver concealed within the canopy
 - Crafted from uniquely textured natural stone
 - Includes hang straight swivel for sloped ceiling installation
 - Rectangular canopy with minimal hardware
 - Six 12" and two 6" down rods included (additional sold separately)
 - Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K
