Keyhole

PRODUCT DESCRIPTION

The Keyhole outdoor wall light's distinctive silhouette combines shape and line for a striking design. A dome element emerges from a rectangular backplate, accented by an illuminated line that traces up and around the circular form. Integrated 3000K LEDs highlight the hammered graphite texture, delivering both backlighting and downlighting from the sleek structure. Offered in both 16" and 24-inch sizes, Keyhole is finished in a pebbled black and antique nickel combination. "

- FEATURES**
- Driver concealed within the canopy
 - Ambient and backlit illumination
 - Complementary textured nickel finish
