SMART FANS

PRODUCT DESCRIPTION

With smart controls and a discreet DC Motor, Zephyr is a form of luxury that comes in a stylish three blade design. A robust LED luminaire with artisan-crafted opal glass and thick aerodynamically soundless blades round out the design. Available in four rich architectural finishes. The Modern Forms app allows for full control of one or many smart fans and integration with current smart home control systems including Control4 and Samsung SmartThings.

FEATURES

- 6 fan speeds through both Summer and Winter Modes
- Silent DC motor
- Optional LED luminaire cover included
- Includes BT remote control
- Optional wall control sold separately
- Compatible with Modern Forms app
