Neo

PRODUCT DESCRIPTION

Using the latest technology from the television and display industry, the Neo collection offers phenomenal light free from glare and hot spots in a clean, thin profile. That's because of the edge-lit LEDs inside, which provide beautiful, energy-efficient, long-lasting illumination.

FEATURES

- 277V option available for special order.
- Transformer installed within the Junction Box, transformer dimension: 2.0" x 1.4" x 1.0"
- Edge-lit technology
