Kinetic

PRODUCT DESCRIPTION

Whether you think of gyroscopes, the atomic structure or da Vinci's "L'Uomo Vitruviano," Kinetic has deep roots in science, exemplified by brilliant edge-lit LED panels that broadcast 360-degrees of seamless, even light. Even better, those rings are adjustable for a personalized look. New and noteworthy here is the smaller 28" size and a matte black finish—but you can still get the 38" and the original titanium too.

FEATURES

- Driver concealed within the canopy
- Silicon diffusers for even illumination
- Edge-lit LED panels provide even illumination
- Rotatable rings for customizable form
- Slope ceiling adaptable. Hang straight swivels up to 90 degrees
