**Financial** Policy: To ensure accurate claim filing, please give your most current insurance card to our receptionist to be copied. If we are unable to verify your insurance, you will be responsible for payment at the time of service. AXIS Behavioral Health participates with Medicare/Medicaid and most managed care plans. We will bill your insurance company in compliance with the guidelines of our contract.

All co-payments, deductibles, and co-insurance as applicable are due at the time of service.

Payment in full is due at the time of treatment for all private pay patients, Medicare patients for non-assigned services (urinalysis, office visit, injections, etc.) and/or fees not covered by your insurance.

If coverage is contingent on a referral of pre-certification, it is your responsibility to inform us

If you are unable to keep your appointment, we require a 24-hour cancellation notice or your account will be charged \$50.

We accept cash and the following credit cards: Visa, MasterCard, and Discover.

Any outstanding account turned over to a collection agency will be charged an additional \$35.00 fee.

I hereby authorize AXIS Behavioral Health to provide me with medical treatment. I understand and agree that I am responsible for all fees not covered by my insurance company. I hereby authorize the release of any medical information necessary to file a claim with my insurance company. If my account is turned over to a collection agency, I understand and agree that I will be responsible for any collection fees, attorney fees, court costs, or other fees incurred by me.

#### LIMITS OF CONFIDENTIALITY

Contents of all therapy sessions are confidential. Both verbal information and written records about a client cannot be shared with another party without the written consent of the client or the client's legal guardian. Noted exceptions are as follows:

### Duty to Warn and Protect

When a client discloses intentions or a plan to harm another person, the mental health professional is required to warn the intended victim and report this information to legal authorities. In cases in which the client discloses or implies a plan for suicide, the health care professional is required to notify legal authorities and make reasonable attempts to notify the family of the client.

#### Abuse of Child ren and Vulnerable Adults

If a client states or suggests that he or she is abusing a child (or vulnerable adult) or has recently abused a child (or vulnerable adult), or a child (or vulnerable adult) is in danger of abuse, the mental health professional is required to report this information to the appropriate social service and/or legal authorities.

### Prenatal Exposure to Controlled Substances

Mental Health care professionals are required to report admitted prenatal exposure to controlled substances that are potentially harmful.

#### Minors/Guardianship

Parents or legal guardians of non-emancipated minor clients have the right to access the clients' records.

### Insurance Providers (when applicable)

Insurance companies and other third-party payers are given information that they request regarding services to clients. Information that may be requested includes type of services, dates/times of services, diagnosis, treatment plan, and description of impairment, progress of therapy, case notes, and summaries.
