"We are not just pizza"

Our Story

The **Old Mill Pizzeria** has been established since the 1970's, The Paputchi family took over the business in 1995 and it has been owned and operated by them since. We have kept the same family recipe for our great tasting pizza and have enjoyed serving all of you since. The Old Mill Pizzeria has been considered the best pizza "closest to New York style" in the area! Come in and try for yourself. We don't say we're the best, our customers do. We are also **BYOB**.

Book your party in advance with us for up to 40 people in our private dining room.

"We are not just pizza. We hope to serve you soon!
Thank you for your business all of these years, and to many more!
