

Design Guide

At CMH Builders, we want to provide you with a clear vision of your dream basement every step of the way. This design guide will help our in-house designers complete a digital rendering of your basement unique to you!

This rendering will help you visualize your space as you want. Nothing you select here will be final, but it will help us provide a more personal design for you!

Full Name

What is the intended use of this space?

Kid's Area ☐

Family Area ☐
