

### Sadie's Life Story

SADIE TURNER (NEE HOWELL), was born on June 25, 1948 in Philadelphia Pennsylvania. She was educated in the public school system. She began her working career as a Certified Nursing Assistant. She worked at Western Daycare center and Landofuse Camp as a camp counselor for youths. While charting her life she gave birth to three children (Laura, Jermaine and Leon). During her life journey she met and married Joseph Turner Jr who would help raise her children. Together they would become professional cleaners and own their own cleaning business. She and her husband decided to become foster parents to give other children a home. They would later adopt children from the same family (Christina, Gabrielle and Marcus).

SADIE instilled values, morals and lessons of hard work and the importance of a good education to all her children and grandchildren. She expected them to follow those ambitions. And continue to receive an education to the fullest. She always conducted herself as a lady.

She loved her Soap Operas and one of her favorite shows was Hawaii Five-O the original. She loved her family to the fullest.

Although she went through adversity in her youth she adept and overcame. She was affectionately called "Mom-mom" and "Tootie Pie". Her unwavering wisdom will be with us always.
