

JENNA NAOMI COLLINS was born January 5th, 2006. She was born with Trisomy 18. Though the doctors said she would only survive 3 days, by the grace of God she lived for 19 years. Jenna was undoubtedly a fighter. She survived multiple hospitalizations, trips for surgeries, respiratory issues, and seizures. She attended Hollydell Academy where she enjoyed her teachers and classmates; spending many activities with her classmates. Jenna loved music, spending time with her family and bathing in the sun. Her innocence and sweet smile has been unforgettable bringing joy to everyone that knew her. Jenna was a miracle and a blessing for 19 years though her life was not the easiest; her bravery in facing all these hurdles truly inspired many. Jenna will be extremely missed by family members, first responders and teachers. She leaves behind father Lester Jr., mother Viola, two sisters Jasmine and Soreya, four brothers Lester III Sean Elijah Kenyah and dog Kovu.
