

Crimson Queen Japanese Maple

(*Acer palmatum* var. *dissectum* 'Crimson Queen')

Ornamental Tree

10' - 12' High

10' - 12' Spread

**Growth
Moderate**

0 - 4 Hours

**Lace Leaf
Understory**

Zone 5 - 8

Crimson Queen Japanese Maple is a weeping variety with lace leaves. It prefers morning sun only or full shade. The dark red foliage will turn brighter in the fall season. A great specimen tree for a shady area.
