

Strawberry Seduction Yarrow

(*Achillea millefolium* 'Strawberry Seduction' USPP18401)

Perennial

1.5' - 2' Tall

2' - 3' Wide

**Bloom Time:
Summer**

4 + Hours

Zones 3 - 9

Strawberry Seduction Yarrow is characterized by its clusters of deep red, daisy-like flowers with bright yellow centers, which bloom profusely from late spring to early fall. The finely divided, fern-like foliage is a soft gray-green, adding an attractive texture even when the plant is not in bloom.
