

Ageratum

Container Use: Thriller/Filler

4 + Hours

Size: 12"-18" Tall 12"-18"

The plant produces clusters of small, fluffy flowers that can range in color from blue, pink, purple, and white. The leaves of Ageratum are heart-shaped and have a slightly fuzzy texture. Ageratum is a popular choice for borders, containers, and mass plantings due to its compact size and profuse flowering. Ageratum is considered pet friendly but is recommended to keep out of reach from pets.
