

Lady's Mantle

(*Alchemilla mollis*)

Perennial

1' - 2' Tall

1' - 2' Wide

**Bloom Time:
Early Summer**

4 + Hours

Zones 3 - 8

Lady's Mantle is a charming herbaceous perennial prized for its soft, scalloped leaves and delicate sprays of chartreuse flowers. From late spring to early summer, airy clusters of small, lime-green/yellow flowers rise above the foliage, creating a striking contrast and making it a popular choice for borders.
