

# Standing Ovation™ Serviceberry

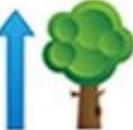

FIRST  
EDITIONS™

(*Amelanchier alnifolia* 'Obelisk')

NEW PLANTS. NEW SOLUTIONS.

**Ornamental Tree**

**12' - 15' High**

**3' - 5' Spread**

**Growth  
Moderate**

**4 + Hours**

**Spring Blooming  
Columnar Shape**

**Zone 2 - 8**

Standing Ovation™ Serviceberry is a columnar variety of Serviceberry. White flowers bloom in the spring before the foliage emerges. Small edible red berries form on the tree after the flowers are spent. The green foliage turns a brilliant reddish-orange in the fall.
