

Storm Cloud Amsonia

(*Amsonia tabernaemontana* 'Storm Cloud')

Perennial

2' - 2.5' Tall

3' - 3.5' Wide

**Bloom Time:
Summer**

4 + Hours

Zones 4 - 9

Storm Cloud Amsonia has extremely dark stem with olive green foliage. It blooms stunning star shaped blue flowers late spring to early summer. The slender olive green foliage will turn yellow in the fall. A great choice for planting in borders or to add some blue color to a perennial garden.
