

Japanese Painted Fern

(*Athyrium niponicum* 'Pictum')

Perennial

12" - 18" Tall

12" - 18" Wide

**Bloom Time:
N/A**

0 - 4 Hours

Zones 4 - 8

Japanese Painted Fern is an exceptional variety of fern with dark foliage. Bright blue-green fronds have dark centers early in the season. The foliage will eventually fade to silver around the edges. A great perennial to add color to a shady area.
