**Shade Tree**

**30' - 40' High**

**6' - 8' Spread**

**Growth  
Fast**

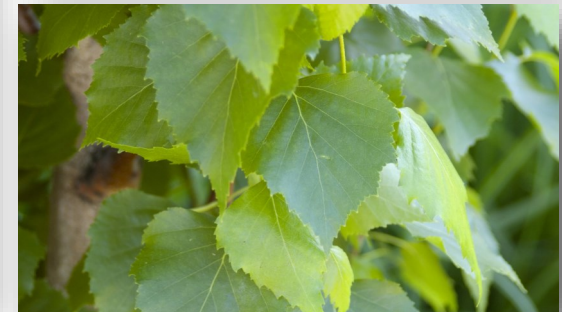

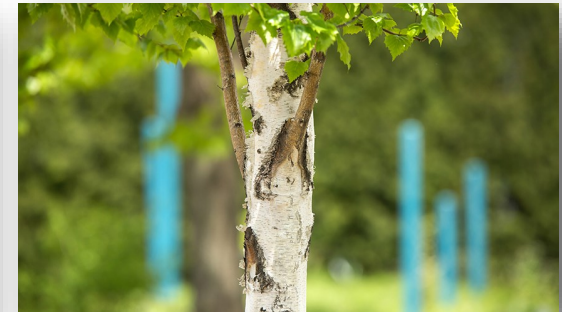

**4 + Hours**

**Columnar Shape  
Golden Fall Color**

**Zone 3 - 7**

Parkland Pillar® Birch is a columnar fast growing tree. It has dark green dense foliage that contrasts with its white bark. The dark green leaves will turn a rich golden yellow in the fall. This narrow tree is a great choice for a specimen or as a privacy screen.
