

# Jack of Diamonds Brunnera

(*Brunnera macrophylla* 'Jack of Diamonds' USPP32752)

**Perennial**

**1.5' - 2' Tall**

**2' - 2.5' Wide**

**Bloom Time:  
Spring**

**0 - 4 Hours**

**Zones 3 - 8**

Jack of Diamonds Brunnera is a striking shade perennial valued for its bold foliage and spring blooms. It features very large, heart-shaped leaves in a bright silver tone with deep green veining, creating strong contrast and lighting up shady areas of the garden. In early to mid-spring, sprays of small, sky-blue, forget-me-not-like flowers rise above the foliage, adding delicate color and seasonal interest.
