

Miss Violet Butterfly Bush

(*Buddleia 'Miss Violet'* USPP28448)

Shrub

4' - 5' High

4' - 5' Spread

4 + Hours

**Compact Shrub
Fragrant Blooms**

Zone 5 - 9

Just like Miss Molly, Miss Violet Butterfly Bush is a compact variety with vibrant fragrant flowers. Violet blooms form on the shrub in the summer and rebloom through fall. Deadheading will encourage more blooms throughout the growing season. A great shrub to add fragrance to the landscape.
