

Calibrachoa

Bentley Ridge
Tree Farm & Nursery 

Container Use: Filler/Spiller

4 + Hours

Size: 8" - 12" Tall 1' - 2' Wide

Calibrachoa also known as Million Bells is a compact annual great for trailing spiller in containers. It has flowers very similar to petunias but in a smaller size. Calibrachoa attracts Butterflies, Hummingbirds, and Pollinators. A wonderful annual for hanging baskets. Calibrachoa is considered pet friendly but is recommended to keep out of reach from pets.
