

Bellflower

(Campanula rotundifolia)

Perennial

12" - 24" Tall

10" - 12" Wide

**Bloom Time:
Summer**

4 + Hours

Zones 2 - 7

Bellflower(Bluebell) blooms lavender-blue flowers on top of wispy foliage in the summer months and can rebloom in the fall. This perennial is extremely drought tolerant and can thrive in numerous types of soils. A great perennial to add to a rock garden or a hot area of the yard.
