

# Dark Knight Caryopteris

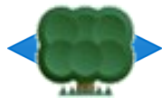

(*Caryopteris x clandonensis* 'Dark Knight')

**Shrub**

**2' - 3' High**

**2' - 3' Spread**

**4 + Hours**

**Aromatic Foliage  
Showy Flowers**

**Zone 5 - 9**

Commonly called bluebeard, this low-mounding perennial is best known for its aromatic foliage and fragrant, beautiful flowers. These shrubs are ideal for beds or borders, and have a unique bloom time of late summer. Tolerating poor soils, easy to care for and showy flowers make this shrub an easy go to.
