

# Hearts of Gold Redbud

(*Cercis canadensis* 'Hearts of Gold' USPP17740)

**Ornamental Tree**

**20' - 25' High**

**15' - 20' Spread**

**Growth  
Moderate**

**4 + Hours**

**Spring Blooming  
Unique Foliage**

**Zone 5 - 9**

Hearts of Gold Redbud produces lavender-pink flower in the early spring on bare branches. Spring foliage emerges red and matures to a golden chartreuse color. A unique tree to use as a specimen or a focal point in the yard.
