Ornamental Tree

10' - 15' High

10' - 15' Spread

**Growth
Moderate**

4 + Hours

**Multi-colored Foliage
Pink Flowers**

Zone 5 - 9

The Rising Sun™ Redbud is a compact ornamental tree known for its colorful, multi-season appeal. In spring it bears showy lavender-pink flowers before the leaves emerge. The heart-shaped foliage then opens with vibrant shades of apricot, peach, and gold that often blend together, and later shifts to warm orange and yellow in fall.
