

Golden Mop False Cypress

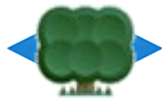

(*Chamaecyparis pisifera* 'Golden Mop')

Evergreen Shrub

2.5' - 3' High

3' - 4' Spread

4 + Hours

**Contrast Color
Evergreen**

Zone 4 - 8

Golden Mop False Cypress is a ground-hugging mound that is truly mop-like, with stringy leaves that color best in full sun. A terrific accent to add contrast to a landscape. It is evergreen and will hold its color all year.
