

# Doctor Ruppel Clematis

(*Clematis* 'Dr. Ruppel')

**Vine**

**6' - 12' Tall**

**As Trained Wide**

**Bloom Time:  
Summer**

**4 + Hours**

**Zones 4 - 11**

Doctor Ruppel Clematis produces large, star-shaped flowers, typically 6 - 8 inches in diameter, showcasing a striking combination of soft pink petals with bold, deep magenta stripes running through the center. Blooming twice a year, it offers an impressive display in late spring to early summer and again in late summer to early fall.
