

# Rebecca™ Clematis

(*Clematis 'Evipo 016'*)

**Vine**

**6' - 8' Tall**

**As Trained Wide**

**Bloom Time:**  
**Late Spring and**  
**Fall (Reblooming)**

**4 + Hours**

**Zones 4 - 9**

Rebecca™ Clematis is a compact, deciduous climbing vine admired for its exceptionally rich red blooms that provide dramatic color from late spring through early fall. The flowers are large, velvety, and intensely vibrant, often featuring slightly darker central bars and contrasting yellow stamens that draw the eye.
