

# Sunset Clematis

(*Clematis* 'Sunset')

**Vine**

**8' - 10' Tall**

**As Trained Wide**

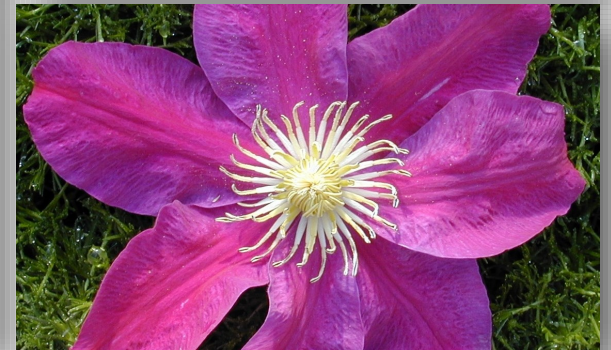

**Bloom Time:  
Summer**

**4 + Hours**

**Zones 4 - 9**

Sunset Clematis is a stunningly beautiful and vibrant flowering vine that adds a burst of warm, rich colors to any garden or landscape. Its leaves are a deep, lush green, providing a perfect backdrop for the fiery orange-red blooms that cover the vine. The flowers themselves are large and showy, with velvety petals that seem almost to glow in the sunlight. The fragrance of the Sunset Clematis is light and sweet, with a delicate aroma that lingers in the air.
