**5' - 6' High**

**3' - 4' Spread**

**0 - 8 Hours/Full  
Sun or Full Shade**

**Fragrant Flowers  
Yellow Fall Color**

**Zone 3 - 9**

Sixteen Candles Summersweet is a fragrant deciduous shrub celebrated for its long-lasting summer blooms and tidy, upright habit. Covered in narrow, glossy green leaves, it produces dense spikes of fragrant, pure white flowers that emerge in mid- to late summer, attracting butterflies and bees while brightening the landscape.
