

# Permathread™ Red Satin Coreopsis

(Coreopsis 'Red Satin' PERMATHREAD)

**Perennial**

**12" - 14" Tall**

**12" - 14" Wide**

**Bloom Time:  
Summer**

**4 + Hours**

**Zones 5 - 9**

The Red Satin Coreopsis has velvety ruby red flowers with violet undertones. Flowers start to appear in early Summer and bloom throughout the Fall. Red Satin Coreopsis is deer resistant and makes great cuttings. A great perennial to plant in mass or to add brighter colors to a perennial bed.
