

# Ivory Halo® Dogwood

(*Cornus alba* 'Bailhalo')

**Shrub**

**5' - 6' High**

**5' - 6' Spread**

**0 - 8 Hours/Full  
Sun or Full Shade**

**Variegated Foliage  
Red Stems**

**Zone 4 - 9**

Ivory Halo Dogwood is well known for its variegated foliage and red stems. A smaller variety of the dogwood family makes it easier to maintain and shape. It has white flowers that bloom in the summer. A great shrub for contrast in any garden setting.
