

Sgt. Pepper® Dogwood

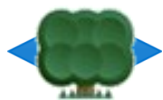

(*Cornus alba* 'Verpaalen2' USPP34377)

Shrub

4' - 6' High

6' - 8' Spread

**0 - 8 Hours/Full
Sun or Full Shade**

**Variegated Foliage
Red Fall Color**

Zone 3 - 7

The Sgt. Pepper Dogwood is a striking deciduous shrub known for its vivid, year-round appeal. In spring, it bursts to life with clusters of creamy white flowers that attract pollinators and provide a soft contrast against emerging green foliage. As summer progresses, the leaves take on a unique, eye-catching variegation with splashes of pink, cream, and green. The show intensifies in fall when the foliage transforms into brilliant shades of red and burgundy.
