

# Tom Thumb Cotoneaster

(*Cotoneaster apiculatus* 'Tom Thumb')

**Shrub**

**1' - 2' High**

**4' - 5' Spread**

**4 + Hours**

**Minimal Pruning  
Red Fall Color**

**Zone 4 - 7**

Tom Thumb Cotoneaster is a compact variety with tiny glossy green foliage. The foliage will turn a burgundy red in the fall. A great shrub to use as groundcover and erosion control.
