

# Diamonds Blue Delphinium

(*Delphinium chinensis* 'Diamonds Blue')

Perennial

18" - 24" Tall

12" - 18" Wide

Bloom Time:  
Summer

4 + Hours

Zones 3 - 9

Diamonds Blue Delphinium brings a striking dose of cool, luminous color to the garden with its tall spires packed full of rich sky-blue blossoms. Rising above a tidy mound of deeply cut green foliage, each sturdy flower spike shimmers in the sunlight, creating an elegant vertical accent from early to midsummer. The blooms feature delicate white or pale centers that add depth and dimension, attracting butterflies and other pollinators with their soft, inviting glow.
