

# Yuki Cherry Blossom® Deutzia

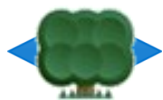

(*Deutzia* x 'NCDX2' USPP28347)

**Shrub**

**1' - 2' High**

**1' - 2' Spread**

**4 + Hours**

**Spring Blooming  
Compact Size**

**Zone 5 - 8**

The Yuki Cherry Blossom® Deutzia is a stunning, compact deciduous shrub known for its prolific and vibrant springtime blooms. This plant showcases an abundance of delicate pink flowers that appear in clusters, creating a captivating display that resembles a cherry blossom tree in miniature form. The foliage emerges in a bright green, turning a rich burgundy in the fall, adding multi-season interest.
