

Fringed Bleeding Heart

(Dicentra eximia)

Perennial

1' - 1.5' Tall

1' - 1.5' Wide

**Bloom Time:
Spring**

0 - 4 Hours

Zones 3 - 9

Fringed Bleeding Heart is a delicate, reblooming perennial prized for its graceful form and fine texture. From spring through summer, slender, wiry stems carry small, nodding, heart-shaped flowers in soft pink to rose shades, each accented with gently fringed inner petals that add unique charm.
