

Valentine® Bleeding Heart

(*Dicentra spectabilis* 'Hordival' USPP22739)

Perennial

24" - 30" Tall

24" - 30" Wide

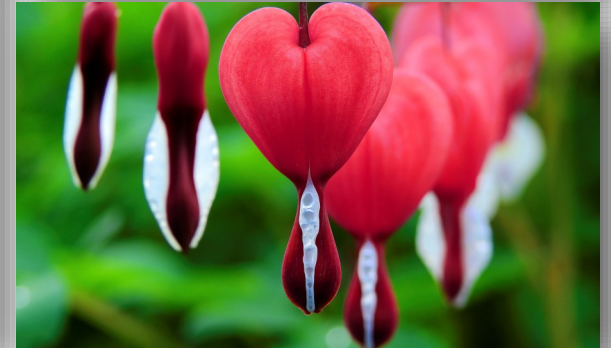

**Bloom Time:
Spring**

0 - 4 Hours

Zones 3 - 9

Valentine® Bleeding Heart is just like the Old Fashioned variety but has red flowers. The gorgeous red heart shaped flowers appear in late spring. A great plant to add texture and diversity to a shade garden.
