

Lucas White Foxglove

(*Digitalis* 'Lucas White')

Biennial

2' - 3' Tall

1' - 1.5' Wide

**Bloom Time:
Summer**

4 + Hours

Zones 4 - 8

Lucas White Foxglove is an elegant, statuesque perennial that stands out for its pristine white flower spikes, each bloom accented with delicate, pale speckling deep in the throat. Rising on tall, sturdy stems from a rosette of lush green foliage, the tubular flowers create a luminous, candle-like effect in the garden from late spring into early summer.
