

Autumn Fern

(Dryopteris erythrosora)

Perennial

18" - 24" Tall

16" - 18" Wide

**Bloom Time:
N/A**

0 - 4 Hours

Zones 4 - 9

Autumn Fern is a semi-evergreen fern prized for its colorful fronds and low-maintenance nature. It features young, coppery-red to bronze fronds in spring, which mature into a rich, glossy green as the season progresses, providing dynamic visual interest.
