

# Red Obelisk European Beech

(*Fagus sylvatica* 'Red Obelisk')

**Ornamental Tree**

**35' - 40' High**

**8' - 10' Spread**

**Growth  
Slow**

**4 + Hours**

**Columnar  
Unique Foliage**

**Zone 4 - 8**

Red Obelisk European Beech is a slow growing columnar tree. Foliage emerges bright red in the spring and fade to a dark burgundy with age. A great tree for creating an ornamental privacy block.
