

Legend of the Fall® Witch Alder

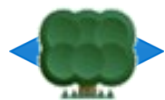

(*Fothergilla x intermedia* 'ALICE' USPP32049)

Shrub

4' - 5' High

4' - 5' Spread

2 + Hours

**Fragrant Flowers
Vibrant Fall Color**

Zone 5 - 9

Legends of the Fall® Witch Alder has unique fragrant white flowers which bloom before the foliage emerges in the spring. The Green Foliage turns an abundance of colors from yellow, orange, purple and red. You should prune Witch Alders right after the blooms fall. A great shrub to add a natural look to a landscape.
