**June Bearing
Long Harvest**

Zone 5 - 8

Bushel & Berry® Snowy Belle™ Strawberry is a delectable and charming fruit with a delicate and elegant appearance. The berries are medium-sized, and produce from June to fall. They have a sweet and creamy flavor with a hint of tanginess that gives them a unique and delicious taste. The texture of Bushel & Berry® Snowy Belle™ Strawberry is soft and tender, with a melt-in-your-mouth quality that is delightful.
